## hadhonaah ADNI

An Early Childhood Nurturing Centre

Laying The Foundation For Life  
With Knowledge & Taqwa

A multisensory, integrative holistic program

## Our Philosophy

Where Education Is Aimed at a balanced Growth of Personality,  
Willingly & Joyfully For The Sake Of Allah SWT

## Objectives

- To develop children purposely in an enriched and stimulating environment that is fun and meaningful
- To create an environment that is conducive for active learning to happen
- To give as many opportunities possible and permissible to develop the wholesome Muslim child
- To lay foundation in preparation for the attainment of goals at the higher levels of Adni's program

## Our Key Features

- Multisensory - involving all the senses
- Integrative - integrates all disciplines with Islamic values based on Quran and Sunnah
- Holistic - developing the child spiritually, socially, emotionally, intellectually, physically + physiologically
- Low child to child teacher ratio
  - 5:1 for below 3 years old
  - 8:1 for above 3 years old
- Parental involvement is a major aspect -  
*"You do your bit, We do our bit,  
Insyallah together we make an elite"*
- Full compliance to the requirements and minimal guidelines of Jabatan Kebajikan Masyarakat

LET US BRING THE ELITE IN YOUR KID

## Basis of our Holistic Program

- A child is born pure. Parents are the ones who mould him/her
- The brain grows phenomenally in the first three years of life
- 25% of brain maturity occurs at birth
- 50% of brain maturity occurs by six months old
- Anything a child learns in the first three years of life is permanent and becomes the foundation for future growth and development

## Programs for:

### Babies (0-1 YEARS OLD)
