OUR PHILOSOPHY

“ WHERE EDUCATION IS AIMED AT A BALANCED GROWTH OF PERSONALITY, WILLINGLY AND JOYFULLY FOR THE SAKE OF ALLAH SWT ”

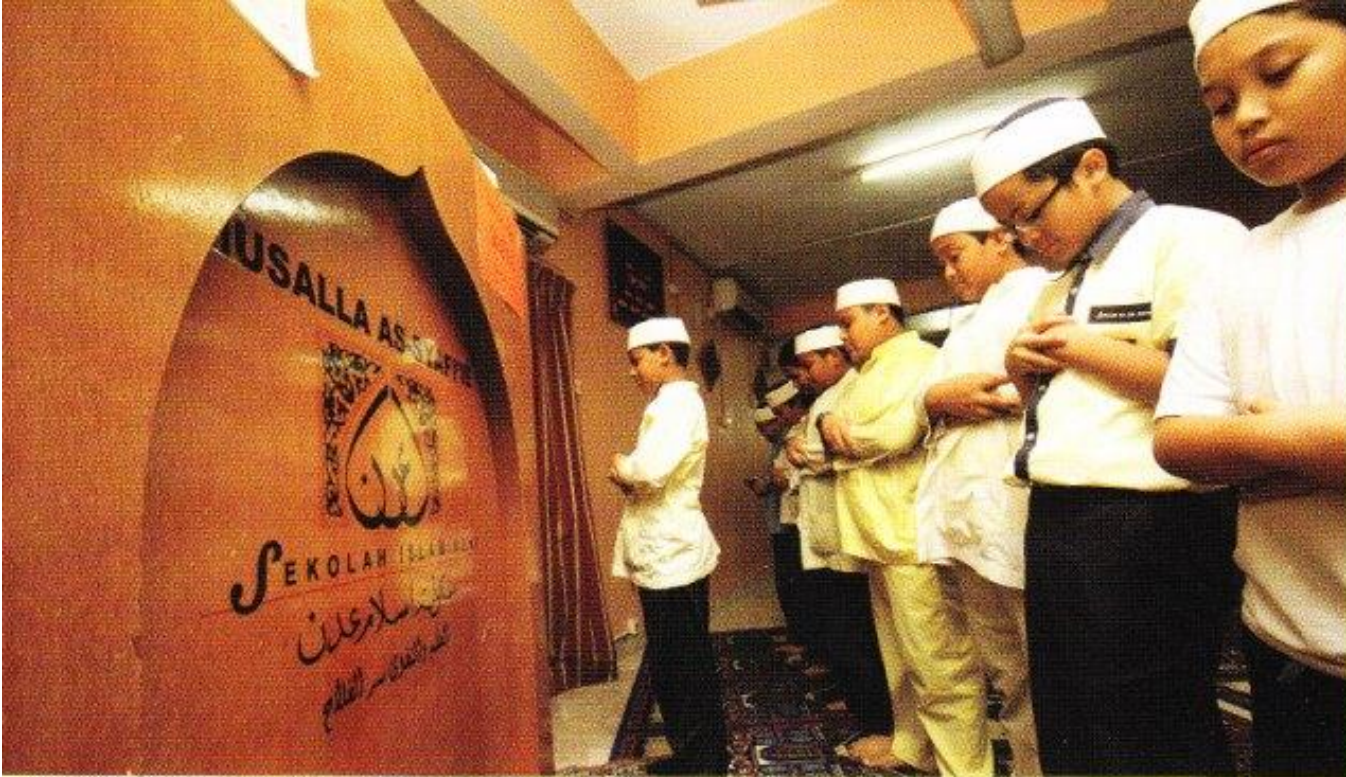

OUR OBJECTIVES

- To provide an integrated educational programme suitable for the early development of the child from pre-school to secondary level that produces a wholly practising Muslim
- To provide a broad spectrum of avenues and opportunities for maximum potential growth to help individuals achieve excellence in all aspects
- To nurture leadership skills and qualities that are necessary to carry out one's responsibility as a Khalifah of Allah swt

OUR METHODOLOGY

- Using creative, innovative and interactive techniques and approaches
- Adopting instructional, investigational and experiential learning approaches
- Applying the 3 Rs: Reading, wRiting and aRithmetic as foundations of learning
- Using the collaborative approach to encourage collective learning through the spirit of brotherhood (Ukhuwwah) and teamwork (Jemaah)
- Technology aided tools and techniques for learning and teaching
- Learning is made to be interesting and easy
- Small student-teacher ratio
- The tarbiyyah process as the main thrust of the total student development

ADNI BACKGROUND

Adni Islamic School was setup in 1994 to provide a quality and integrated Islamic programme for children from pre-school to secondary level. Registered with the Ministry of Education, the school presently has over 1000 students and 100 teachers.

The school is determined to play a vital role in the development of a strong ummah based on firm Islamic values and identity by providing holistic, quality and affordable education to all irrespective of creed and colour.

Therefore, ADNI's programme is directed towards motivating the individual to realise his/her full spiritual, intellectual, emotional and physical potential. The students vary in their inherent and acquired abilities and these differences are taken into consideration in the education process of each child insyaAllah.
