ADNI BACKGROUND

Adni Islamic School was setup in 1994 to provide a quality and integrated Islamic programme for children from pre-school to secondary level. Registered with the Ministry of Education, the school presently has over 1200 students and 170 teachers.

The school is determined to play a vital role in the development of a strong ummah based on firm Islamic values and identity by providing holistic, quality and affordable education to all irrespective of creed and colour.

Therefore, ADNI's programme is directed towards motivating the individual to realise his/her full spiritual, intellectual, emotional and physical potential. The students vary in their inherent and acquired abilities and these differences are taken into consideration in the education process of each child insyaAllah.
